When Insurance Ends
Coverage ends automatically on the earliest of the following:

- The last date the last period ends for which a premium was paid
- The date your employment terminates
- The date you cease to meet the eligibility requirements (coverage may continue for limited periods under certain circumstances)
- The date the group policy, or your employer’s coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependents AD&D coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when insurance ends, contact your Total Value Team representative.

Group Insurance Certificate
If coverage becomes effective, and you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. Neither the information presented in this summary nor the certificate modifies the group policy or the insurance coverage in any way.
