

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.hdplus.com or call 1-800-549-9114. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-800-549-9114 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|--|--|
| <p>What is the overall deductible?</p> | <p>TCHHN/Anthem/Out of Network Deductible is determined by the Network. Employee Only: \$3,000 / \$6,000 / \$6,000 Employee + 1: \$6,000 / \$12,000 / \$12,000 Family: \$6,000 / \$12,000 / \$12,000 No individual will exceed \$8,150 for a network provider.</p> | <p>Generally, you must pay for all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay. Preventive care is not subject to the deductible.</p> |
| <p>Are there services covered before you meet your deductible?</p> | <p>Yes. Preventive care received by a network provider.</p> | <p>This plan covers some items and services if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p> |
| <p>Are there other deductibles for specific services?</p> | <p>No.</p> | <p>You don't have to meet deductibles for specific services.</p> |
| <p>What is the out-of-pocket limit for this plan?</p> | <p>Out-of-pocket limit is determined by the Network. Employee Only: \$4,200 / \$6,000 / \$6,000 Employee + 1: \$8,400 / \$12,000 / \$12,000 Family: \$12,600 / \$12,900 / \$12,900 No individual will exceed \$8,150 for a network provider.</p> | <p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.</p> |
| <p>What is not included in the out-of-pocket limit?</p> | <p>Yes. Premiums, balance-billing charges (unless balance billing is prohibited), and health care this plan does not cover.</p> | <p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p> |
| <p>Will you pay less if you use a network provider?</p> | <p>Yes. See www.anthem.com for a list of network providers.</p> | <p>You pay the least if you use a provider in The Christ Hospital Health Network. You pay more if you use a provider in the Anthem network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p> |

Do you need a [referral](#) to see a [specialist](#)?

No.

You can see the [specialist](#) you choose without a [referral](#).

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
