

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.hdplus.com](http://www.hdplus.com) or call 1-800-549-9114. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) or call 1-800-549-9114 to request a copy.

Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>TCHHN/Anthem/Out of Network                      Deductible is determined by the Network.                      Employee Only: <b>\$2,000 / \$4,000 / \$4,000</b>                      Employee + 1: <b>\$4,000 / \$8,000 / \$8,000</b>                      Family: <b>\$4,000 / \$8,000 / \$8,000</b></p>	<p>Generally, you must pay for all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay. Preventive care is not subject to the <a href="#">deductible</a>.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p><b>Yes.</b> Preventive care if received by a TCHHN PCP, Anthem Pediatrician, or In-Network specialist.</p>	<p>This <a href="#">plan</a> covers some items and services if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p><b>No.</b></p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>Out-of-pocket limit is determined by the Network.                      Employee Only: <b>\$3,500 / \$5,325 / \$5,325</b>                      Employee + 1: <b>\$7,000 / \$10,650 / \$10,650</b>                      Family: <b>\$10,500 / \$12,900 / \$12,900</b>                      No individual will exceed \$8,150 for a Network provider.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, the overall family <a href="#">out-of-pocket limit</a> must be met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><b>Yes.</b> Premiums, balance-billing charges (unless balance billing is prohibited), and health care this plan does not cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p><b>Yes.</b> <a href="#">Click here to find a Primary Care Provider (PCP) with The Christ Hospital (TCH)</a>                       See <a href="http://www.anthem.com">www.anthem.com</a> for a list of non-PCP <a href="#">network providers</a>.</p>	<p>You pay the least if you use a <a href="#">provider</a> in The Christ Hospital Health Network. You pay more if you use a <a href="#">provider</a> in the Anthem network. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>
<p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>	<p><b>No.</b></p>	<p>You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
